

GAMELIEBE

CORPORATE INFORMATION V1.0

**DA IST
LIEBE
IM SPIEL**

WWW.GAMELIEBE.COM

OUR MISSION

A PREMIUM EXPERIENCE SINCE 2006

Gameliebe.com is the newest game portal of privately held digital game distribution company **rpg-services GmbH**. Our first portal **rpg-services.de**, **established in 2006**, rapidly evolved into a **trusted source for game downloads, activation codes and gamecards** in all german speaking countries. Today **rpg-services** has a **large and loyal community of customers** that appreciate our **premium support and ease of use**.

DIGITAL GAME DISTRIBUTION AND MARKETING SINCE 2006

Since 2008 we are located in beautiful **Pfaffikon, Switzerland**, right at lake zurich while also owning offices in **Cologne, Germany**, at the heart of the german games scene.

LEVEL UP - A NEW STATE OF THE ART EXPERIENCE

With Gameliebe.com we are now offering our customers a **state of the art experience** of browsing and buying game downloads online. Providing a fresh, **appealing design**, **best-in-class usability** and a **premium customer support**.

Starting in Q4/2012, Gameliebe.com will be replacing our 6 year old **rpg-services.de** portal with a **new look and feel** that it deserves based on it's achievements of the past, while **adding more licenced game downloads and casual games** to the product range.

MISSION STATEMENT

Our mission is to create a **perfect distribution and marketing channel** for all game publishers and developers by continued leveraging of our core values: **Perfect customer support** and **customer experience**, from the first click on our site, to the first interaction within your game. And all of this **with a little extra love**.

We strive to deliver the ultimate premium experience - and then put **a little extra love** in it to create a unique platform **for gamers, developers and publishers alike**.

LET'S TEAM UP

With Gameliebe.com rpg-services GmbH is offering publishers and developers partnerships with **long term benefits for both parties**.

BENEFITS FOR PARTNERS

Instant presentation and free marketing of your game – reaching a large audience in attractive markets

- **25k+ active users** who proofed their willingness to spend money for games
- **high average transaction value of 25€**
- **specialized newsletter** for your game to our **20k+ subscribers**
- **promotion of your game** through i.e. contests on our facebook page and other social media channels
- **cross promotion** with similar games and **featured listing** on our store frontpage
- presentation of your game through our own **affiliate network** existing of a growing number of german game blogs, game sites and e-sport communities.

A great user experience to benefit our conversion – and your profit

- Our goal is to **convert all interested users into paying users**, to minimize abandoned checkouts caused by open questions, doubts and unsecureness in regard of payments, game installation and other issues.
- We guarantee a **perfect user experience** from the first visit on our site, until the user has your game running smoothly, laying the foundation of making them into **returning customers** of your game.

Minimizing risks and eliminating fraud – benefiting both parties

- **We eliminate any fraud risks**, carrying all payment related risks, offering an **inhouse developed anti fraud system** and **6 years experience** of successfully preventing online fraud.

PARTNERS

SPECIAL POWERS FOR A UNIQUE EXPERIENCE AND CONVERSION BOOSTING

- **detailed, own custom developed video-manuals** for your game – supporting users with step-by-step instructions how to checkout, activate, download or install your game
- our **premium quality customer support team** accesible everywhere from the web site trough phone, livechat or email – helping users that need assistance personally, whatever checkout or game installation issues may occur
- we guarentee every customer **assistance until your game runs smoothly**
- **wide variety of local payments** with their special advantages for every user
- easy to access, use, navigate **state of the art website** and **shopping experience**

FUN FACTS
